.....

This notification is issued to the above pilot due to the **non-conformance** and/or **non-compliance** with laid down procedures stipulated in the New Zealand Hang Gliding and Paragliding Association (Inc.) Organisation and Procedures Manual concerning airworthiness of Glider. Grounding notification must be discussed with the pilot concerned and rectification of the situation should be laid out within a specified time frame. Grounding will take place on the day of this notification.

The concerned pilot has a right to appeal as laid out in the [Constitution](#). (Part 2)

Hang glider and paraglider grounding can only be executed by the Flight Safety Committee after written submissions from the following: Operations Manager and/or Organisation Safety Officer.

Copies of this notification shall be sent to the concerned pilot's Member Organisation President, Operations Manager and NZHGPA Administrator.
