

OPMF41 - SITE RATING FORM

- NOTES :
1. Fields marked * are optional.
 2. For authorisation procedures, refer to the OPM 5.5.2 Launch Sites.
 3. Site Location: You must supply sufficient detail to identify all launch areas covered by this form.
 4. Base the Safety Rating on the hazards documented and presuming use by pilots unfamiliar with the site.
 5. If training use is intended note any variation to the site rating when an instructor is supervising.

CONFIDENTIALITY Access information provided on this form is confidential . i.e. not published in site guides or online. The site name, gps location, contact details and site rating will still be published. (Tick Box)
